

Resolution
of the
Beekeepers Association of Southwest Florida

Resolution 02-10

WHEREAS, the Beekeepers Association of Southwest Florida does represent the interests of independent beekeepers throughout Collier, Lee, Charlotte and Hendry counties in the state of Florida;

WHEREAS, the members of the Beekeepers Association of Southwest Florida have at their regular membership meeting on 10 February 2010 determined it to be in the best interest of the Association to support the adoption of language being proposed for the current apiary registration and inspection law;

BE IT HEREBY RESOLVED, that the Beekeepers Association of Southwest Florida does unanimously support proposed language changes to State law 586.045, giving the Apiary Bureau (Jerry Hayes office) "exclusive authority" to determine siting of beehives.

Dated this 12th day February 2010.
