

Introduction to Beekeeping Course

North Fort Myers Recreation Center
2000 North Recreation Park Way
Saturday, March 4, 2017 9:00am

The UF/IFAS Lee County Extension, in collaboration with the Beekeepers Association of Southwest Florida (BASf) offers a 4-week introductory beekeeping class this summer. The course includes morning classroom sessions and afternoon practical sessions at the BASf apiary. Students receive a basic kit including bee veil, smoker, hive tool, resource book, and a one-year membership to BASf. Bees are **NOT** provided as part of this package! Pre-registration is necessary for inclusion in the class. Space is limited to 12 students. Cost of course is \$135. To register:
